Extended Summer Program

Childcare Days

July 16 to July 27

Join us for our Adobe Summer School “Awesomely Aussie Summer Adventure”!  
Come beat the heat and spend time with friends both new and old!

Our **Australian Summer Adventure** and **Montessori On the Move** summer programs allow the children to keep a consistent schedule and aids in their ability to retain and build upon the skills they have already acquired. For new students, it's a wonderful time to get acclimated into the classroom while we have lots of summer fun!

Explore the Outback and come along as we travel from the North Shore to the South Shore. From the East to the West we will learn about all the adventures the “Amazing Outback” has to offer.

Kangaroos, Koalas, and Wombats galore! We will make our own didgeridoos and join a “totem”. Vegemite sandwich tasting and platypus painting will fill our Summer Adventure with excitement and fun!
