Super Power Summer School Adventure!

June 3 to July 12

“Montessori on the Move”

Extended Summer Program
Childcare Days
July 15 to July 26

Join us for our Adobe Summer School “Super Power Summer School Adventure”!
Come beat the heat and spend time with friends both new and old!

Our **Super Power Summer School Adventure** and **Montessori On the Move** summer programs allow the children to keep a consistent schedule and aids in their ability to retain and build upon the skills they have already acquired. For new students, it's a wonderful time to get acclimated into the classroom while we have lots of summer fun!

Get your capes ready and come along as we soar high and low over continents and seas; fueling our bodies with superfoods that will build strong hearts and bodies. We will be using our super senses to see, touch, taste, hear, and smell all around us! We will even learn how to see things without using our eyes! Wow!

Did you know we are surrounded by superheroes? We will learn all about our “everyday heroes” and the things they do to make our world a better place! Every day will be filled with excitement and fun!
